# THE GATEWAY FOR QUALITY SPACE

Access at Eastern Gateway is Ipswich's premier industrial and logistics scheme, strategically located directly adjacent to Junction 54 of the A14 and to the west of Ipswich Town Centre.

Connectivity across the East of England has never been better and Ipswich is well placed to suit occupier demands, with the Port of Felixstowe accessible to the east and the national motorway networks to the west.

The scheme has been designed to accommodate enhanced specifications and includes various sustainable initiatives that are of critical importance to Trebor and our stakeholders. Units are finished to Trebor's highest standards and occupiers can expect best-in-class facilities.

Detailed planning consent was secured in 2023 for this five unit scheme, which achieved practical completion in June 2024. The units are ready for immediate occupation.

# IN GOOD COMPANY

Ipswich is an important commercial hub on the A14 corridor, with many local, regional, and national occupiers choosing to locate here.

Key local occupiers include Amazon, La Doria, EDF, Headlam, YaheeTech, and Rexel.

## SIZEWELL C

Sizewell C is a major national infrastructure project to construct a new nuclear power station on the Suffolk coast. Eastern Gateway is well located to provide vital accommodation to occupiers in the supply chain.

economically active workforce within a 30 minute drive.
-  **8,500 HGVS**  
travel the Suffolk stretch of the A14 each year.
-  **£642**  
£642 gross weekly pay compared to £705.7 in the East of England and £682.6 in Great Britain.
-  **88%**  
88% of people are economically active in Ipswich, compared to 80.6% in the East of England and 78.8% in Great Britain.
-  **136%**  
container growth for Haven Ports by 2030.

## QUALIFICATIONS (JAN 2023 – DEC 2023)

# PERFECTLY LOCATED FOR BUSINESS

Ipswich is strategically located on the A14 corridor approximately 17 miles from Felixstowe, and is a recognized commercial location within the East of England.

The A14 provides established transport links to surrounding centres including Stowmarket, Bury St

Edmunds, Cambridge, and Colchester (via the A12). Further west, the A14 links with the national motorway network. Several ports, airports, and freight terminals are within 2 hours drive. London (Liverpool Street) can be accessed via rail in 67 minutes.

Eastern Gateway is situated approximately two miles west of Ipswich Town Centre, immediately adjacent to Junction 54 of the A14.

# SUSTAINABILITY AT ITS HEART

## BREEAM IN USE

The Landlord will be happy to work with occupiers to obtain BREEAM in Use certification, and have a full consultant team who have worked on the scheme from inception.

## ENERGY PERFORMANCE (EPC)

Units at Access at Eastern Gateway have achieved an EPC A Rating.

## ENERGY EFFICIENT HEATING & COOLING

Variable Refrigerant Flow (VRF) heating / cooling system with internal ceiling concealed fan coil units fed from external air source heat pump to the offices, and efficient local electric heaters to ancillary areas.

## ELECTRIC VEHICLE (EV) CHARGING

Units provide EV charging spaces, as well as providing ducting to enable further spaces to be constructed in the future.

## ENERGY EFFICIENT LIGHTING

Energy efficient LED lighting is provided to the offices, operated by PIR sensors and daylight dimming sensors.

## GREEN ENVIRONMENT & SOCIAL WELL-BEING

Access at Eastern Gateway has a range of walkways, bridlepaths, lakes and green spaces offering staff a pleasant and natural external environment.

## NATURAL DAY-LIGHT

10% of the roof panels across the warehouse are translucent, providing plenty of natural day-light.

## CAR SHARING

The Landlord can mark spaces in accordance with an occupiers bespoke car sharing scheme.

## PHOTO-VOLTAIC (PV) PANELS

A provision of PV panels has been provided under the base build, whilst the roof is structurally designed to support panels across the entirety so the occupier can add more as they wish.

## CYCLE PARKING

Covered cycles spaces and shower facilities have been provided.

# TREBOR DEVELOPMENTS

We've been paving the way for commercial properties for over a decade. Delivering units from 10,000 sq ft to 1,000,000 sq ft, we made our name implementing straightforward development processes that put sustainable building practices ahead of profits.

Founded in 2008, Trebor Developments is today a market leader in industrial development. Through our work with occupiers, agents and financial institutions, we've fulfilled the vision of countless businesses and earned a reputation for intelligent delivery.

Along the way, we've stuck to our belief that development should always be strategic. That's why your business objectives are the starting point we refer to when approaching any project. The same is true of the spaces we build to let. Everything is managed so that all stakeholders feel represented by the final outcome.

Most importantly, we have skin in the game. We're a private, owner-managed organisation with no PLC or string of shareholders to report to. Decisions are made quickly and we apply a more hands-on approach in order to make your business, our business.

IMPORTANT NOTICE Lambert Smith Hampton, Savills and Penn Commercial give notice to anyone who may read these particulars as follows: 1. These particulars are prepared for the guidance only of prospective purchasers. They are intended to give a fair overall description of the property but are not intended to constitute part of an offer or contract. 2. Any information contained herein (whether in the text, plans or photographs) is given in good faith but should not be relied upon as being a statement or representation of fact. 3. Nothing in these particulars shall be deemed to be a statement that the property is in good condition or otherwise nor that any services or facilities are in good working order. 4. The photographs appearing in this brochure show only certain parts and aspects of the property at the time when the photographs were taken. Certain aspects may have changed since the photographs were taken and it should not be assumed that the property remains precisely as displayed in the photographs. Furthermore no assumptions should be made in respect of parts of the property which are not shown in the photographs. 5. Any areas, measurements or distances referred to herein are approximate only. 6. Where there is reference in these particulars to the fact that alterations have been carried out or that a particular use is made of any part of the property this is not intended to be a statement that any necessary planning, building regulations or other consents have been obtained and these matters must be verified by any intending purchaser. 7. Descriptions of a property are inevitably subjective and the descriptions contained herein are used in good faith as an opinion and not by way of statement of fact. Published October 2024.
